## **ABOUT METHODIST FAMILY HEALTH FOUNDATION**

Methodist Family Health is a complete continuum of care, providing a range of treatment and therapy options for our patients and their families regardless of their religious affiliation. Our services include:

- Methodist Behavioral Hospital
- Psychiatric Residential Treatment Facilities
- Qualified Residential Treatment Programs (formerly known as group homes)
- Arkansas Center for Addictions Research, Education and Services (Arkansas CARES)
- Therapeutic Day Treatment School (K-12)
- Kaleidoscope Grief Center
- Outpatient Counseling Clinics

Each year, we serve 4,000-5,000 Arkansas children and their families, many of whom have little, if any, income for even the most basic necessities like soap, deodorant, school supplies, clothing and shoes. The mission of Methodist Family Health is to provide the best possible care to those who may need our help. Donations are used to give our clients dignity and opportunities that ensure a sense of normalcy and belonging while they heal from trauma, abuse and mental illness.
